

LEGACY CHEER

All Star Cheerleading in a Christian Environment

2024-2025 Legacy Cheer Handbook

We just completed our fifth season of our All Star program! We continue to be in awe of the overwhelming interest in Christian All Star Cheerleading!

All Star cheerleading is a competitive sport that requires commitment and dedication from both athletes and parents.

Legacy Cheer is excited to offer full year teams that start in May and go through April and half year teams that run August-February. All our teams require commitment, dedication and perseverance. Please carefully consider the financial and time commitment that the teams expect before trying out. Depending on the skill level of the girls trying out will determine the team level and whether they are novice, prep or elite.

Cheers!

LEGACY CHEER

Legacy Cheer Mission

- Mission: To offer an All Star cheerleading experience in a Christian environment.
- Goal: To introduce girls to a competitive cheerleading environment with a focus on glorifying God through healthy competition, while using appropriate music, movements and uniforms.

Legacy Cheer Tryouts/Evaluations

- Participation in the tryouts indicates that you trust the coaches to place your athlete on a team in the best interest of your athlete, the team, and the program. **Your participation indicates that you are prepared to commit to the Legacy Cheer Program for the entire season.**
- Team placements will require experience in All Star, confidence in tumbling and stunting. We will also consider age, maturity, work ethic, prior commitment level and teamwork. Most importantly, we have to look at the team structure and stunt groups for our teams.
- **If coaches determine that an athlete isn't ready for the skill level of our team, we will ask that she continue in our Skills program.**
- Tryouts- If you can not attend the tryouts, you need to contact Legacycheerallstar@gmail.com to set up a private evaluation- \$50 fee.
- Full Year Team Evaluations in April:
